

OUTDOOR FIREPLACES

SEAMLESS CONTEMPORARY STYLE, DESIGNED AND BUILT TO LIVE OUTDOORS.

PALAZZO OUTDOOR GAS FIREPLACE

The Palazzo is a new kind of outdoor fireplace. This innovative fire feature resists the harshest elements with tough marine grade stainless steel. Advanced safety technologies are seamlessly integrated. The Palazzo Power Screen provides protection at the press of a button. Combined, these features create a contemporary focal point that will maintain its luster and add value to your home for years to come.

- The industry-first Power Screen ensures safety, moving up and down at the press of a button to protect and prevent debris from entering the fireplace
- Multicolored LED lights shine through the crushed glass firebed and can even be used when the fireplace is off
- Stainless steel interior reflects and magnifies flames
- Rust-resistant, marine grade stainless steel construction maintains its luster for years to come
- IntelliFire™ Ignition System with wall control constantly monitors ignition and ensures safe functioning
- No chimney or venting required, blending your fireplace effortlessly into your outdoor space
- 48" wide fireplace adds enjoyment to your space
- Available in a single-sided or see-through model

outdoor lifestyles

by hearth & home technologies®

Living rooms aren't what they used to be. It's time to discard the stale notion that a "living space" is only contained within the walls of your home. Our innovative products make it easy to extend your living into the outdoors. Think of it as adding a new room to your home, an outdoor living room. See how Outdoor Lifestyles by Hearth & Home Technologies® can transform your outdoor space.

OUTDOOR GAS FIREPLACES

Outdoor gas fireplaces make it possible to build captivating, robust fires in an instant. Textured fireboxes, detailed log sets and advanced safety features create a powerfully convenient fireside experience.

OUTDOOR WOOD FIREPLACES

Enjoy the ambiance of a crackling fire, the scent of smoking cedar, or the touch of adding a log to the glowing bed of coals. Outdoor wood fireplaces keep tradition alive, and provide a range of styles and installation options to enhance your space.
